About TCNusa Store

At TCNusa Store, we go beyond eCommerce. As a proud subsidiary of Teknologi Cerdas Nusantara (TCNusantara), we connect consumers and businesses across the globe with exceptional products from Indonesia and Asia. Whether you're shopping for gadgets or sourcing high-quality agro commodities, we're your trusted partner in cross-border commerce.

Empowering Trade Through Technology, Culture & Integrity

TCNusa Store is the export and ecommerce division of Teknologi Cerdas Nusantara (TCNusantara)—a visionary Indonesian company committed to blending technology, education, and trade in service of sustainable development.

While our roots lie in IT consulting and digital literacy empowerment, our expansion into international export and ecommerce enables us to support local farmers, cooperatives, and artisans while bridging Indonesian excellence to global markets.

Our vision:

To become Indonesia's leading bridge between rural producers and international demand, promoting quality agro products with traceability, authenticity, and cultural respect.

✓ Why Choose TCNusa Store?

✿ 1. Direct From Source – Ethical, Traceable, Fair-Trade

- We work directly with certified farming cooperatives, smallholder farmers, and trusted processors across Sumatra, Java, Sulawesi, and Maluku.
- Products are traceable to origin – including harvest date, processing facility, and farmer group ID.

++
++
++

✈ 2. Export-Ready Fulfillment With Global Logistics Expertise

- We manage logistics end-to-end, including freight forwarding (FCL/LCL), customs clearance, palletization, and export documentation.
- Shipping available via sea, air, and express cargo – Incoterms EXW, FOB, CFR, and CIF.

++
++
++

📦 3. Custom Packaging, Labeling & Branding

- Bulk, retail, or foodservice packaging in kraft, PP woven, vacuum, paper or jute bags.
- White-label/OEM available for retailers, distributors, and manufacturers.
- Labeling in English, French, Chinese, Arabic, Spanish, or Bahasa Indonesia.

✓ Why Choose TCNusa Store?

📄 4. Documentation & Compliance You Can Rely On. We provide:

- Certificate of Origin (COO)
- Phytosanitary Certificate
- Halal/Organic/Fair Trade Certifications (where applicable)
- Laboratory COA (Chemical & Microbial Analysis)
- Bill of Lading, Commercial Invoice & Packing List

🌐 5. Flexible MOQs and Tiered Pricing

• We serve:

- Micro-enterprises & food startups (MOQ from 100kg – 1 ton)
- Mid-sized food manufacturers & importers (MOQ 5–15 tons)
- Large-scale industrial buyers (MOQ 25+ tons, recurring supply)

Our Process : Simple, Transparent, Efficient

1

Inquiry & Product Matching

You share your needs → we match specs, volumes, origin & compliance needs.

2

Quotation & Samples

Transparent pricing (FOB/CIF) and Samples sent upon request.

3

Contract & Invoicing

We finalize contract with agreed terms, lead time & documentation.

4

Production & Quality Check

The Products are packed, labeled, and tested by our QA team.

5

Export & Delivery

Shipping arranged and tracking shared until goods reach your port.
